

LONDONDERRY TOWN LANTERN

JANUARY 2024

The new year is upon us, and for me, the change in the calendar is an opportunity for reflection and for new beginnings. Looking back at 2023, I'm proudest that we continued to improve upon the already high level of service Town staff provide to residents. We're also closer to full staffing across Town departments than ever before, which is quite an accomplishment in this labor market. We continue to carefully manage the budget and aggressively seek new sources of revenue.

Here at Town Hall, we are also busy making plans for an exciting year ahead. In this issue you'll read about a brand-new Recreation Department logo and reservation system and our newest police recruit, Rioux the comfort dog. This year, we will commemorate our 125th annual Old Home Day celebration with our best festivities yet.

2024 is also a big year for elections, with four on the horizon, starting with the Presidential Primary on January 23 and then the town and school elections on March 12. Voting is the best way to have your voice heard by your government; we hope to see you at the LHS gymnasium when you cast your ballot. I also encourage you to look at open positions and consider seeking an elected or appointed position yourself.

My best wishes for a happy and healthy 2024.

Londonderry's newest police officer is a very good boy.

At least, that's what his first puppy school report card said! But anyone who has met Rioux - Rio for short - can vouch for the fact that this 10-week-old Bernadoodle puppy has a bright future as the Londonderry Police Department's first comfort dog.

Rio officially joined the LPD on December 18, 2023, when Police Chief Kim Bernard introduced him to Londonderry at the Town Council meeting. Rio's recruitment to the force was made possible by a collaborative effort between LPD, the Town Manager, and generous partners in the community, without using taxpayer funds.

Chief Bernard had been looking into getting Londonderry a comfort dog for several months before Rio's arrival. Comfort dogs serve as a bridge between police and the community, helping to break the ice and put people at ease in difficult situations. In conversations with other police chiefs around New Hampshire, Chief Bernard heard overwhelmingly positive feedback about comfort dogs, with some departments going so far as to call it the best program they had. The idea of a new furry officer had widespread support within the LPD, where several officers advocated to introduce the program in Londonderry.

When Chief Bernard began his search for a suitable dog, he knew he wanted a dog that was distinctive, but also calm, reliable, and patient. It was luck that led him to learn that **the Rioux family of Dunbarton** had a Bernadoodle puppy that fit the description perfectly. The Rioux family generously agreed to discount Rio's adoption fee after learning what his role would mean for the community. Chief Bernard was able to secure an anonymous donor to cover the remaining fee, clearing the way for Rio (named, of course, for the family he came from) to find his new home in Londonderry.

"LONDONDERRY IS A COMMUNITY FULL OF PEOPLE WHO CARE, PEOPLE WHO ARE GOOD TO THE CORE - THE SUPPORT FOR RIO JUST ADDS TO THAT!"

-Chief Kim Bernard

As anyone who has a dog knows, their care can be expensive: vet visits, food, and treats can add up. Fortunately, this is another area where the Londonderry community stepped up to donate goods and services. Phil Mahoney of **Sit Means Sit in Londonderry** volunteered his services to train Rio and his human partner. **Londonderry Animal Clinic** will be taking care of all his health needs. **Honey Dog Salon & Bakery of**

Londonderry will keep Rio's adorable fluff looking sharp. **Pets Plus of Londonderry**, through a partnership with **Fromm Family Pet Food**, will provide Rio with food for life. Last but not least, the **Rotary Club of Londonderry** provided a generous donation for anything else Rio might need.

In a few weeks, Rio will begin his comfort dog training academy. After that, you can expect to see Rio at community events, schools, senior communities, and any place where his presence can help calm and support those who need it.

...AND MEET RIOUX'S HUMAN PARTNER: OFFICER SEAN BENOIT

Comfort dogs have the ability to bridge differences and help people deal with anxiety in their worst moments. The same traits that a comfort dog needs - approachability, a calm demeanor, steadiness - are the things that make Officer Sean Benoit the ideal handler for Rio. Before receiving his canine partner, Officer Benoit was the student resource officer at Londonderry Middle School. Rio will live with Officer Benoit and his family, where he has already made friends with his new doggy sister Millie and staked out a prime spot to snooze in the sun by the sliding glass door.

RECREATION DEPARTMENT ROLLS OUT NEW LOGO AND REGISTRATION PORTAL

The Recreation Department has a few significant changes that we're excited about launching at the start of the New Year for our Londonderry residents!

From late September to late November, the Londonderry Recreation Department ran a logo design contest. After the contest closed, our panel of judges looked over the seven submissions to determine which design would best incorporate our department's mission and vision. We are pleased to unveil the winning logo, based on a design submitted by **Ashley Hanson** of Londonderry.

Our new logo will be used on our website, across our social media, and for other marketing and branding purposes, including promotional tools and apparel. The design reflects all the different types of activities supported by the Recreation Department, our goal of bringing people together, and, of course, the Town of Londonderry itself.

In January, our department will also be launching our online registration software on **MyRec.com**. This system will be used for all program and activity registrations. It will also provide facility and department information in the coming months. Londonderry residents and families are encouraged to create an account now in order to see the winter programs and events available once the system launches on Monday, January 1st.

The direct link to the registration software can be found here: londonderrynh.myrec.com.

Please see page 10 for a complete list of Winter 2024 recreation programs that are open for registration.

Winter 2024 programs and events are available for registration either using the new MyRec.com system or mailing/dropping off registration forms and payment to Town Hall.

For more information about our department and offerings, please visit our website at londonderrynh.gov/recreation.

.....
Bring your favorite stuffy for check-up by our volunteer nurses! First aid will be provided to those animals that need it. The goal of this event is to reduce the fear and anxiety that comes with getting an annual check-up.

*We will be joined by Londonderry Police & Fire.
Refreshments (for humans!) will be available.*

BETTER FENCES MAKE A BETTER TOWN COMMON

With the approval from the Heritage Committee, the Department of Public Works replaced the temporary logs at the edge of the Town Common parking area with a lovely and permanent wooden rail. The logs had become cracked, slippery, and easily movable, creating a safety hazard for residents. The new wooden rail provides safety for patrons on the Common and at the picnic tables and will require less maintenance - and, is quite a bit nicer to look at! Total Highway Services installed the rail in 90 minutes. It will serve the Common well for decades to come.

What makes this project extra-special is that we had a well-known life-long resident of Londonderry step forward to cover the entire cost of the project. **Eric Turcotte, of Turcotte Tree Service and Peterson Sugar House and Farm**, presented a check at the December 18, 2023 Town Council meeting in the amount of \$2,490. We extend our thanks to Eric for this very special gift to the taxpayers and residents of Londonderry.

A NEW CARD FOR A NEW YEAR

Starting on January 2, 2024, the Leach Library will begin issuing brand new library cards to all current and new cardholders! The new library cards will include both a wallet and keychain size card.

To upgrade their card free of charge, patrons can bring their current library card or a valid photo ID to the library any time during operating hours. For Overdrive and Libby users, the library staff will merge each patron's account information with their new card number. Please allow up to 72 hours for the account update.

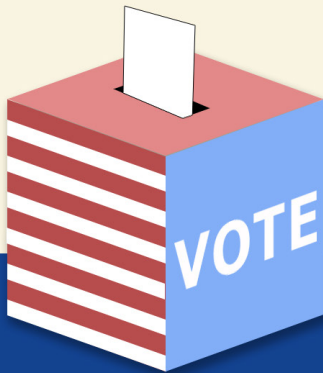

Leach Library staff encourages all cardholders to visit the library for a new card to take full advantage of library programs. For additional information, please call the library at (603) 432-1132.

LONDONDERRY ELECTIONS UPDATE

The New Hampshire State Presidential Primary will be held on **Tuesday, January 23, 2024** in the Londonderry High School Gymnasium from 6:00 a.m. to 8:00 p.m.

Londonderry needs YOU to come work the polls!

The Town of Londonderry is looking for volunteers to work at the Presidential Primary Election. Poll workers check in voters, register new voters, maintain the paper checklist, greet people, hand count ballots and write-in votes, and more. This is a great opportunity to get involved with your community!

We are looking for people who would be available for shifts between 5:30 a.m. and 11:00 p.m. Training will be held for new poll workers on Wednesday, January 17, 2024. If you are interested, [please fill out this form](#) with your contact information and availability. Questions? Contact Kristin Grages at 603-682-0259 or kgrages@londonderrynh.org.

WINTER WISDOM FROM PUBLIC WORKS

The Town of Londonderry has a **winter parking ban** in effect from **November 1 to April 1**. From **12:00 a.m. to 8:00 a.m.**, no motor vehicle can be parked on any public road or right-of-way in such a way that impedes snow removal. Please do not place any objects like stakes, delineators, or rocks in the right-of-way as these can damage snow removal equipment.

Sand barrels are positioned around Town and are available for residents' use. Please limit yourself to (2) five-gallon buckets and plan ahead - residents should not exclusively rely on public sand barrels. During a storm, the Town's priority is to treat and plow the public roads. The most up-to-date map of sand barrel locations can be found at londonderrynh.gov/sand.

When there is snow on the ground, **please do not place your trash and recycling barrels in the street**, as this can impede snow removal. Please place them in your driveway or clear a spot outside of the travel lane.

Never clear snow from vehicles or driveways into the streets, as this can cause hazards and accidents.

LANCERS TAKE LONDON!

The Londonderry High School Lancer Marching Band took to the streets of London on January 1, 2024 as part of the annual London New Year's Day Parade. Students travelled "across the pond" to perform in front of more than 500,000 people lining the London streets, as well as more than 500 million people watching on television around the world. The Lancer Band is no stranger to travel, as they performed at the Olympics in China in 2008, as well as at dozens of parades across the United States.
