

## Trash & Recycling Holiday Schedule

- Memorial Day 2025
- 4th of July 2025
- Labor Day 2025
- Thanksgiving Day 2025
- Christmas Day 2025
- New Year's Day, 2026

Collections will be delayed **one day after** the above holidays except the Saturday and Sunday holidays. (i.e.: If your regular pick-up day is Monday, your pick-up will be delayed until Tuesday, Tuesday's pickup will be delayed until Wednesday, etc.).

For more information contact the Dept. of Public Works at (603)432-1100 X 193 or visit [www.londonderrynh.gpv](http://www.londonderrynh.gpv).

**Latex and other Water Based Paint Disposal**– Not hazardous and when dried, can be disposed of in the regular trash

- Put an absorbent material such as shredded newspaper or kitty litter into the paint can.
- Allow it to dry completely.
- Dispose of the dried paint and can in the trash.

**Oil based paint, stains, and varnish are hazardous** and should **NOT** be disposed of in the regular trash.

- Take it to a Household Hazardous Waste Collection.

## Propane Tanks

The Londonderry Drop Off Center at 13 Recovery Way (off West Rd) accepts propane tanks for disposal.

20 lb. tanks \$4.00  
1-2 lb. tanks No Charge

Any questions, contact the Dept. of Public Works & Engineering and Environmental Services at (603) 432-1100 X 193

## Pool Chemical Disposal

Pool chemicals are Hazardous Waste and should **never** be placed in your curbside trash. Bring to Household Hazardous Waste Day on May 3, 2025.

## Waste Oil Disposal

**O'Reilly Auto Parts** 603-421-0427  
3 Garden Lane, Londonderry

They will take up to 5 gallons per day of uncontaminated oil.

**Advanced Auto Parts** 603-432-3084  
10 Nashua Road, Londonderry

They will take up to 3 gallons of uncontaminated oil per person.

For both locations, all oil must be delivered in appropriate oil containers. Both locations also accept: Uncontaminated - \* Hydraulic Fluid, Gear Oil, Transmission Fluid & Power Steering Fluid. All fluid must be in appropriate containers.

**NO BRAKE FLUID.**

## Lions Club Recycle for Sight

Recycling your eyeglasses will help someone else to see better. There is a drop off box located in the **Town Clerk's Office** at the Town Hall.

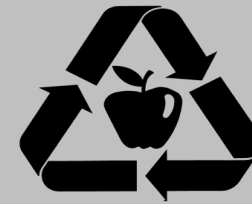

## Overflow Trash Bags

Do you occasionally have a situation where you need more room in your trash barrel?

Overflow trash bags can be purchased at the Town Clerk's office at Town Hall for \$3 each.

These specially colored and labeled 30-gallon trash bags can be filled with your excess trash and placed beside or on top of your regular trash barrel. Waste Management will collect the bags at the same time your trash barrel is emptied. Great for when you have more trash than normal.

May 2024, Hoover Board with a Lithium Ion Battery, Town fined **\$525.00**

May 2024, Scooter with a Lead acid battery, Town fined **\$525.00**

## Beautify Londonderry 2025

May 10 (Rain date—May 17)

Beautify Londonderry is sponsoring a town-wide roadside cleanup event on Saturday, May 10, 2025, beginning at 9am. Check in is at Matthew Thornton Elementary School where bags and gloves will be provided. The heart of this initiative lies with residents, local companies, groups and organizations volunteering to polish their neighborhoods and public spaces.

To learn more or to sign up as a volunteer, please visit us on the town webpage: <http://www.londonderrynh.gov/beautify-londonderry>

### Stormwater Runoff: A Common Cause of Water Pollution

Rain water and snowmelt run off from streets, lawns, and commercial sites picks up pollutants such as fertilizers, dirt, pesticides, oil and grease along the way to our streams, rivers, and lakes. These materials can kill aquatic life and pollute our water. Find the list of items that when mixed with Stormwater can become pollutants to our water.

## Household Hazardous Waste Collection

**When :** May 3, 2025  
9 AM - 12:00 Noon

**Where:** West Running Brook School  
Rte. 28 By-Pass, Derry, NH

**Event is open to Londonderry Residents**

**Participants should stay in their vehicles at all times while on site.**

**Do you have hazardous items to dispose of?**

You do if you have products labeled:

- Flammable • Corrosive/Caustic • Reactive • Toxic/Poison

Please ensure their proper disposal by attending the Household Hazardous Waste Collection.

**What to bring:**

Oil Base Paints/Solvents (**NO Water Based Paint. If it can be cleaned with soap and water, Do Not Bring.**)

- Pesticides • Herbicides • Household Cleaners • Mercury Devices • Poisons • Acids
- Automotive Products (No Oil) • Pool Chemicals • Corrosives • Creosote

For info contact the Dept. of Engineering & Environmental Services at (603)432-1100 X193,

### New Rechargeable Battery Disposal Ban - Effective July 1, 2025

**Starting July 1, 2025**, rechargeable lithium-ion batteries will be prohibited from disposal in New Hampshire's landfills and incinerators. Lithium-ion batteries are used in:

Automotive vehicles, Electric bikes and scooters, Lawncare equipment, Portable electronics such as cell phones, laptops, tablets, cameras, wireless headphones, speakers, toothbrushes and other rechargeable electronic devices, Cordless power tools and Toys.

Lithium-ion batteries contain hazardous metals and can pose safety hazards when improperly managed. When crushed or damaged in any way, they can ignite – causing intense fires. For these reasons, lithium-ion batteries should never be put in the trash or curbside recycling bin! Lithium-ion batteries have become a leading cause of fires for trash haulers and waste management facilities.

**For more information, contact: NHDES 603-271-3503**
