

# Heritage Commission

Friday, April 10, 2026 12:00

## **Heritage and Design Priorities**

### **Create and promote a consistent aesthetic that reflects the Town's heritage**

- Develop a heritage-focused design lookbook
- Evaluate how heritage design considerations fit into the Development Review process
- Define the most useful format for the lookbook
- Create a materials toolkit to support implementation

### **Improve education and support for historic properties**

- Develop or update inventory and maintenance information
- Identify grant opportunities related to historic preservation

### **Clarify Historic District budget needs and planning priorities**

- Separate and identify Historic District budget needs
- Develop a strategic plan or unified vision
- Complete or update a supporting inventory

### **Charge**

- Design review
