Subject: 91A Request

Helen,

Seeing as I have had no response on this request, please consider this a formal 91A request to get any and all correspondence with the Town Attorney from you, Kim Bears, or anyone else that may have contacted the Town Attorney regarding the 2 issues stated in my previous email.

Thank you
Christine Fitzgerald

Subject: Issues brought up at last meeting

Hi Helen,

I emailed Kim to follow up on this yesterday, but I'm assuming she is not going to respond. Kim was in contact with the town attorney to get info/direction on how to approach 2 issues that came up in our last meeting. I offered to contact the attorney, no one objected and I was thanked for offering. It seemed everyone was ok with that until no one would provide me the contact info. Kim called me on the phone and told me that Chad on the Town Council told her that only the Chair can contact the attorney.

Having said that, Kim said she was waiting for the Attorney to get her some information, which it's been a couple of weeks at this point, so I would imagine this had already been done.

At our meeting, the Trustees agreed that the response from the Attorney would be shared to all trustees, since it was originally requested that all the trustees have an in person meeting with the attorney. Again, I followed up with Kim a few times on this and have not received an email from the attorney, and no further response from Kim other than she was waiting to get the information.

These are important matters and need to be addressed at the next meeting.

Can you please contact the attorney, forward the email in its entirety (your request and the attorney's response) to all the trustees?

Thank you
Christine
