**RSA 72:65**

**Deadline to File:**  
**April 15, 2023**

**Please Submit:**  
**Applications**  
**between January**  
**1<sup>st</sup> and April 15<sup>th</sup>.**

**Applicant will be**  
**asked to re-qualify**  
**every year.**

### **Current Exemption Amount:**

100% of the assessed value of the system.

### **Eligibility:**

Any person who meets the requirements of either RSA 72:61 - Solar Energy Systems; or RSA 72:65 - Wind-Powered Systems, on a yearly basis.

### **Property Valuation Reduction:**

The exemption from property tax in the Town of Londonderry for qualified taxpayers shall be based upon the value of the energy system meeting the requirements of state statutes.

### **Applicant:**

- Must **provide proof of purchase** and/or **lease** agreement on or before April 15<sup>th</sup> in the year they are applying for the exemption.
- Must come in to the Assessor's Office and **complete a Permanent Application for Property Tax Credit/Exemptions** (PA-29 Form).

### **According to RSA 72:61 - Definition of Solar Energy Systems:**

In this subdivision "**solar energy system**" means a system which utilizes solar energy to heat or cool the interior of a building or to heat water for use in a building and which includes one or more collectors and a storage container. "Solar energy system" also means a system which provides electricity for a building by the use of photovoltaic panels.

### **According to 72:65 - Definition of Wind-Powered Energy Systems:**

In this subdivision "**wind-powered energy system**" means any wind-powered devices which supplement or replace electrical power supplied to households or businesses at the immediate site.
