REMOTE MEETING

Per Emergency Order #12 Pursuant to Executive Order 2020-04, during the current declared State of Emergency, the Governor has waived the requirement in RSA 91-A:2, III (b) that a quorum of a body be physically present as it relates to public meetings. Under the same directive, the Governor has also waived the requirement in RSA 91-A:2, III(c) that each part of a meeting of a public body be audible or otherwise discernable to the public "at the location specified in the meeting notice as the location of the meeting." These two requirements are waived so long as the public body:

1. Provides public access to the meeting by telephone, with additional access possibilities by video or other electronic means;
2. Provides public notice of the necessary information for accessing the meeting;
3. Provides a mechanism for the public to alert the public body during the meeting if there are problems with the access; and
4. Adjourns the meeting if the public is unable to access the meeting.

In accordance with this directive, the Solid Waste Environmental Committee (SWEC) will conduct its meeting as follows:
