

Get Involved at the Local Concerns Meeting & provide input in the Londonderry Rail Trail development!

Improved recreational opportunities as well as alternative connectivity options are key components in Phase 6 of the Londonderry Rail Trail project. This project is a vital link connecting Londonderry's existing trail to Manchester, which will eventually allow the trail to continue to Concord and up to Lebanon. Join us and share your thoughts on important amenities, concerns or excitement you have for this project.

The meeting will be held **November 23, 2020** from **4:30-6:30 pm** virtually.
