

Join the Town of Londonderry and NHDES for a PFAS Informational Session May 20, 2021 at 6:30 pm

Who Should Attend: This informational session is an on-line virtual but *interactive* meeting hosted by the New Hampshire Department of Environmental Services and the Town of Londonderry. Anyone interested in learning more about PFAS and the on-going investigations in Londonderry should attend.

How to Attend: The preferred method is by registering at the link below and joining the meeting through your computer or other device.

Registration Link: <https://attendee.gotowebinar.com/register/3029203327767773199>

Residents can also call in via telephone by using the number and access code provided below. However, call-in participants are in listen-only mode and will not be able to communicate with the panel during the meeting.

Call-In Number: 1-562-247-8321

Access Code: 249-486-312

If asked for a PIN, press #.
