FOR IMMEDIATE RELEASE REGARDING AN INCREASE IN VETERANS' TAX CREDITS

At its May 9, 2022 meeting, the Londonderry Town Council adopted Resolution 2022-06, increasing the annual "Optional Veterans' Tax Credit" and the "All Veterans' Tax Credit" from \$500 to \$750. For those already receiving these credits, the additional \$250 tax credit will be reflected in the December 2022 tax bill, and will reduce recipients' tax obligation for the 2022 tax year by an additional \$250. For new applicants, these credits will be reflected following an approved application, in the usual course according to the timing of the application.
