UNFINISHED BUSINESS

High Range, Litchfield, Harvey & Hall Road intersection – Discussion took place regarding speeding on Litchfield Road to and from the airport. Also mentioned was the traffic coming from the Route 28, Stonehenge area onto Litchfield heading to the airport, and returning home in the late afternoon. Captain Bernard advised the committee that a radar trailer would be set up in the area for 3 weeks instead of the 2 weeks that was done prior. A call will be made to FedEx regarding their speeding drivers. Fire Chief O'Brien made a motion to table this issue to the October 5, 2020 meeting. Captain Bernard Seconded this Motion.

NEW BUSINESS

Wilson Road – Charlie Evans and Attorney Paul DeCarolis appeared before the committee regarding the one-way on Wilson Road. Mr. Evans presented to the committee that vehicles are turning onto Wilson Road from Old Derry Road. Vehicles are using this road as a cut thru creating more traffic on the road. Discussion took place regarding the proposed sub-division being discussed in the area. Making this road entirely one-way would have no impact on any other road in town, this would be extenuating circumstances because of the road being narrow and curves.

Motion to Table this issue to the October meeting was presented by Town Manager Smith
Town Councilor Butler seconded the motion and suggested that registered letters be sent to all the
neighbors in the Auburn and Wilson Road area asking them to attend the next meeting on October 5,
2020 to discuss this matter.

Member-At-Large – The committee was introduced to our new Member-At Large, Paul Peddle and
Alternate Member-At-Large Ryan Prud'homme. They will be going before the Board for final approval.
Welcome Aboard!
